Annex

Modalities for Continuous Clearing with Settlement On-realisation in CTS

1. Single presentation session with continuous delivery:

- a) There shall be a single presentation session from 10:00 AM to 4:00 PM.
- b) Cheques received by the branches shall be scanned and sent to the clearing house by the banks immediately and continuously during the presentation session.
- c) The clearing house will in turn release the cheque images to drawee banks on a continuous basis.

2. Continuous inward processing and confirmation by banks:

- a) The confirmation session shall start at 10:00 AM and close at 7:00 PM.
- b) For every cheque presented, the drawee bank shall generate either positive confirmation (for honoured cheques) or negative confirmation (for dishonoured cheques).
- c) Each cheque will contain the 'Item Expiry Time' which indicates the latest time by which confirmation for the presented instrument needs to be provided by the drawee bank.
- d) Processing by drawee banks is to be done continuously throughout the day and on a real time basis as soon as cheque images are received.
- e) Information of positive/negative confirmation shall be sent by the drawee banks to the clearing house immediately after processing.

3. Time available for inward processing:

- a) During phase 1 (From October 4 to January 2, 2026), drawee banks shall be required to confirm (positively / negatively) cheques presented on them latest by end of confirmation session (i.e. 7:00 PM) else those will be deemed to have been approved and included for settlement. Item expiry time for all cheques shall be set as 7:00 PM in phase 1.

- b) In Phase 2 (from January 3, 2026), the item expiry time of cheques shall be changed to T+3 clear hours. For example, the cheques received by drawee banks between 10:00 AM and 11:00 AM will have to be confirmed positively or negatively by them by 2:00 PM (3 hours from 11:00 AM). Cheques for which confirmation is not provided by the drawee bank in the prescribed 3 hours shall be treated as deemed approved and included for settlement at 2:00 PM.

4. Settlement on realisation:

- a) No accounting entries (settlement) will be posted for presentation of cheques.
- b) Starting from 11:00 AM, settlement will be arrived every hour till the end of confirmation session, based on the positive confirmations received from drawee banks and cheques considered deemed approved.
- c) No accounting entries shall be passed for cheques with negative confirmation.

5. Releasing payment to customers:

- a) On completion of settlement, clearing house shall release the information of positive and negative confirmations to the presenting bank.
 - b) The presenting bank shall process the same and release the payment to the customers immediately, but not later than 1 hour from successful settlement, subject to usual safeguards.
