(5) It shall be ensured that such penal charges are reasonable and not out of line with the average cost of providing the services.

(6) It shall also be ensured that the balance in the savings account does not turn into negative balance solely on account of levy of charges for non-maintenance of minimum balance.

These instructions shall be brought to the notice of all customers apart from being disclosed on the bank's website.

161. A bank shall ensure that accounts of all student beneficiaries under the various Central / State Government Scholarship Schemes are free from restrictions of 'minimum balance' and 'total credit limit'.

A.2 Statement of Account / Passbook

A.2.1 Issuance of Passbook to Savings Bank Account holders (Individual)

170. Paper tokens indicating the date of receipt of the passbook and also the date when it is to be collected shall be issued, in cases where the pass books are held back for updation.

172. A bank shall ensure to adhere to monthly periodicity while sending statement of accounts. Further, the bank shall advise its branch Inspecting Officers to carry out sample check at the time of internal inspection of branches to verify whether the statements are being dispatched in time.

- (2) Term deposits shall be freely transferable from one office of bank to another.
- (3) Change in interest rate on deposits shall be made known to customers as well as bank branches expeditiously.

A.3.1 Addition or deletion of the name/s of joint account holders

174. A bank may, at the request of all the joint account holders, allow the addition or deletion of name/s of joint account holder/s if the circumstances so warrant or allow an individual depositor to add the name of another person as a joint account holder. However, in no case shall the amount or duration of the original deposit undergo a change in any manner in case the deposit is a term deposit.

175. A bank may, at its discretion, and at the request of all the joint account holders of a deposit receipt, allow the splitting up of the joint deposit, in the name of each of the joint account holders only, provided that the period and the aggregate amount of the deposit do not undergo any change.

A.3.2 Disposal of Deposits

178. The signatures of both the depositors need not be obtained for payment of maturity proceeds of term deposit accounts that are opened with operating instructions 'Either or Survivor'. However, the signatures of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the operating instruction

is 'Either or Survivor' and one of the depositors expires before the maturity, no pre-payment of the term deposit may be allowed without the concurrence of the legal heirs of the deceased joint holder. This, however, would not stand in the way of making payment to the survivor on maturity.

179. In case the mandate is 'Former or Survivor', the 'Former' alone can operate / withdraw the matured amount of the term deposit, when both the depositors are alive. However, the signature of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the former expires before the maturity of the term deposit, the 'Survivor' can withdraw the deposit on maturity. Premature withdrawal would however require the consent of both the parties, when both of them are alive, and that of the surviving depositor and the legal heirs of the deceased in case of death of one of the depositors.

180. If the joint depositors prefer to allow premature withdrawals of term deposits also in accordance with the mandate of 'Either or Survivor' or 'Former or Survivor', as the case may be, it would be open to the bank to do so, provided it has taken a specific joint mandate from the depositors for the said purpose. In other words, in case of term deposits with "Either or Survivor" or "Former or Survivor" mandate, the bank is permitted to allow premature withdrawal of the deposit by the surviving joint depositor on the death of the other, only if, there is a joint mandate from the joint depositors to this effect.

181. When a term deposit account is opened in the joint names of two depositors on 'Either or Survivor' basis and the said joint depositors already have a savings bank account in their names jointly on 'Either or Survivor' instructions, on maturity of the term deposit, proceeds of the matured term deposit can be credited to the joint savings bank account already opened in the bank. A separate savings bank account need not be opened in the name of the first depositor for crediting the proceeds of the term deposit.

A.3.5 Deduction of Tax Deducted at Source (TDS)

182. A bank is not required to deduct TDS from depositors who submit declaration in Form 15-G/15-H under Income Tax Rules, 1962. The bank shall give an acknowledgment at the time of receipt of such declaration.

183. The bank shall provide TDS Certificate in Form 16A, to its customers in respect of whom it has deducted tax at source. The bank shall put in place systems that will enable it to provide Form 16A to the customers well within the timeframe prescribed under the Income Tax Rules.

A.3.6 Renewal of Term Deposits frozen by law enforcement authorities

184. In cases where a term deposit account(s) of a depositor is frozen by a bank on the order of law enforcement authorities, the bank shall obtain a request letter from the depositor on maturity for renewal of the term deposit. The depositor shall be given an option to choose the term for renewal of the deposit. In case the depositor does not exercise the option of choosing the term for renewal, the bank shall renew the deposit for a term equal to the original term.

A.4 Acceptance of cash over the counter

185. A bank shall refrain from incorporating clauses in the terms and conditions which restrict deposit of cash over the counters and ensure that its branches invariably accept cash over the counters from all their customers who desire to do so. In this connection, the bank shall comply with the Know Your Customer requirements for customers and walk-in customers as contained in [Reserve Bank of India \(Commercial Banks – Know Your Customer\) Directions, 2025](#).

A.5 Opening of Bank Accounts in the Names of Minors

186. Minors of any age may be allowed to open and operate savings and term deposit accounts through his / her natural or legal guardian. They may also be allowed to open such accounts with mother as guardian in terms of instructions issued on December 29, 1976, whose contents are reproduced below:

It has been brought to our notice that considerable difficulty is being experienced by women customers in opening bank accounts in the names of minors, with mothers as their guardians. Presumably, banks are reluctant to accept the mother as a guardian of a minor, while father is alive in view of section 6 of the Hindu Minority and Guardianship Act, 1956, which stipulates that the father alone should be deemed to be the guardian in such case. To overcome this legal difficulty and to enable the banks to open freely such accounts in the name of minors under the guardianship of their mothers, it has been suggested in some quarters that the above provisions should be suitably amended. While it is true that an amendment of the above Act may overcome

the difficulty in the case of Hindus, it will not solve the problem for other communities as minors belonging to Muslim, Christian, Parsi Communities would still be left out unless the laws governing these communities are also likewise amended.

The legal and practical aspects of the above problem were, therefore, examined by us in consultation with the Government of India and we are advised that if the idea underlining the demand for allowing mothers to be treated as guardians relates only to the opening of fixed and savings bank accounts, there would seem to be no difficulty in meeting the requirements as, notwithstanding the legal provisions, such accounts could be opened by banks provided they take adequate safeguards in allowing operations in the accounts by ensuring that the minors' accounts opened with mothers as guardians are not allowed to be overdrawn and that they always remain in credit. In this way, the minors' capacity to enter into contract would not be a subject matter of dispute. If this precaution is taken, the banks' interests would be adequately protected. We shall therefore, be glad if you will kindly apprise all your branches of the position as stated above and instruct them to allow minors' accounts (fixed and savings only) with mothers as guardians to be opened, whenever such requests are received by them, subject to the safeguards mentioned above.

187. Minors above such an age limit not less than 10 years and up to such amount and such terms as may be fixed by a bank keeping in view its risk management policy, may be allowed to open and operate savings / term deposit accounts independently, if they so desire, and such terms shall be duly conveyed to the account holder.

188. On attaining the age of majority, fresh operating instructions and specimen signature of the account holder shall be obtained and kept on record. Moreover, if the account is operated by the guardian, the balance shall be got confirmed. A bank shall take advance action, including communicating these requirements to minor account holders attaining the age of majority, to ensure fulfilment of these requirements.

189. A bank is free to offer additional banking facilities like internet banking, ATM / debit cards, cheque book facility, etc., to the minor account holders basis its risk management policy, product suitability and customer appropriateness.

190. A bank shall ensure that accounts of minors, whether operated independently or through a guardian, are not allowed to be overdrawn and that these always remain in credit balance.

191. A bank shall perform customer due diligence for opening of deposit accounts of minors and undertake ongoing due diligence, as per the provisions of [Reserve Bank of India \(Commercial Banks – Know Your Customer\) Directions, 2025](#).

B. Unclaimed Deposits / Inoperative Accounts in banks

B.1 Review of Accounts

192. A bank shall undertake at least an annual review in respect of accounts, where there is no customer induced transaction for more than a year. In cases where there is no explicit mandate to renew the term deposit, the bank shall review such accounts if the customers have not withdrawn the proceeds after maturity or transferred these to their savings / current account in order to prevent such deposits from becoming unclaimed. The bank shall inform the account / deposit holders in writing through letters or email or SMS (if the email and mobile number are registered with the bank) that there has been no operation in their accounts / deposits in the last one year, as the case may be. The alert messages shall invariably mention that the account would become 'inoperative' if no operations are carried out during the next one year and, the account holder would be required to submit KYC documents afresh for reactivating the account in such case.

326. A bank shall adopt the following broad instructions and frame the Fair Practices Code duly approved by its Board of Directors.

A.1 Applications for loans and their processing

327. Loan application forms shall be comprehensive in respect of all categories of loans, irrespective of the amount of loan sought by the borrower. With a view to bringing in fairness and transparency, the bank shall transparently disclose to the borrower all information about fees / charges payable for processing the loan application, the amount of fees refundable if loan amount is not sanctioned / disbursed, pre-payment options and charges, if any, penalty for delayed repayments if any, conversion charges for switching loan from fixed to floating rates or vice versa, existence of any interest reset clause and any other matter which affects the interest of the borrower. Such information shall also be displayed on the website of the bank for all categories of loan products. Some banks levy, in addition to a processing fee, certain charges which are not initially disclosed to the borrower. Levying such charges subsequently without disclosing the same to the borrower is an unfair practice. The bank shall ensure that all information relating to charges / fees for processing are invariably disclosed in the loan application forms. Further, the bank shall inform 'all-in-cost' to the customer to enable him / her to compare the rates charges with other sources of finance. It shall also be ensured that such charges / fees are non-discriminatory.

328. The bank shall devise a system of giving acknowledgement for receipt of all loan applications.

A.2 Timelines for Credit Decisions

329. While a bank is required to carry out necessary due diligence before arriving at credit decisions, timely and adequate availability of credit is a pre-requisite for successful implementation of large projects. Therefore, the bank shall clearly delineate the procedure for disposal of loan proposals, with appropriate timelines, and institute a suitable monitoring mechanism for reviewing applications pending beyond the specified period. However, there shall not be any compromise on due diligence

requirements. The bank shall also make suitable disclosures on the timelines for conveying credit decisions through its website, notice boards, product literature, etc.

330. The bank shall verify the loan applications within a reasonable period of time. If additional details / documents are required, it shall intimate the same to the borrower immediately.

331. In case of all categories of loans irrespective of any threshold limits, including credit card applications, the bank shall convey in writing, the main reason(s) which, in the opinion of the bank after due consideration, led to rejection of the loan applications within stipulated time.

A.3 Loan appraisal and terms/conditions

332. A bank shall ensure that there is proper assessment of credit application of the borrower. The bank shall not use margin and security stipulation as a substitute for due diligence on credit worthiness of the borrower.

333. The bank shall convey to the borrower the credit limit along with the terms and conditions thereof and keep the borrower's acceptance of these terms and conditions given with his / her full knowledge on record.

334. Terms and conditions and other caveats governing credit facilities arrived at after negotiation by the bank and the borrower shall be reduced in writing and duly certified by the authorised official. The bank shall invariably furnish a copy of the loan agreement along with a copy each of all enclosures quoted in the loan agreement to the borrower(s) at the time of sanction / disbursement of loan.

335. As far as possible, the loan agreement shall clearly stipulate credit facilities that are solely at the discretion of the bank. These may include approval or disallowance of facilities, such as, drawings beyond the sanctioned limits, honouring cheques issued for the purpose other than specifically agreed to in the credit sanction, and disallowing drawing on a borrowal account on its classification as a non-performing asset or on account of non-compliance with the terms of sanction. It may also be specifically stated that the bank does not have an obligation to meet further requirements of the borrowers on account of growth in business etc. without proper review of credit limits.

336. In the case of lending under consortium arrangement, the participating lender banks shall evolve procedures to complete appraisal of proposals in a time bound

manner to the extent feasible and communicate their decisions on financing or otherwise within a reasonable time.

A.4 Disbursement of loans including changes in terms and conditions

337. The bank shall ensure timely disbursement of loans sanctioned in conformity with the terms and conditions governing such sanction. The bank shall give notice of any change in the terms and conditions including interest rates, service charges etc. It shall also be ensured that changes in interest rates and charges are effected only prospectively.

A.5 Post disbursement supervision

338. Post disbursement supervision by a bank, particularly in respect of loans up to ₹2 lakh, shall be constructive with a view to taking care of any "lender-related" genuine difficulty that the borrower may face.

339. Before taking a decision to recall / accelerate payment or performance under the agreement or seeking additional securities, the bank shall give notice to the borrower(s) as specified in the loan agreement or a reasonable period if no such condition exists in the loan agreement.

340. The bank shall release all securities on receiving payment of loan or realisation of loan subject to any legitimate right or lien for any other claim it may have against the borrower. If such right of set off is to be exercised, the borrower(s) shall be given notice about the same with full particulars about the remaining claims and the documents under which the bank is entitled to retain the securities till the relevant claim is settled / paid.

A.6 General

341. The bank shall restrain from interference in the affairs of the borrower(s) except for what is provided in the terms and conditions of the loan sanction documents (unless new information, not earlier disclosed by the borrower, has come to the notice of the bank).

342. The bank shall not discriminate on grounds of sex, caste and religion in the matter of lending. However, this does not preclude the bank from participating in credit-linked schemes framed for weaker sections of the society.

343. In the matter of recovery of loans, the bank shall not resort to undue harassment,

viz., persistently bothering the borrower(s) at odd hours, use of muscle power for recovery of loans, etc.

344. In case of receipt of request for transfer of borrowal account, either from the borrower or from a bank / financial institution, which proposes to take-over the account, the consent or otherwise, i.e., objection of the lending bank, if any, shall be conveyed within 21 days from the date of receipt of request.

345. Fair Practices Code, based on the instructions outlined in this section, shall be put in place in respect of all lending. The bank shall have the freedom of drafting the Fair Practices Code, enhancing the scope of the instructions but in no way sacrificing the spirit underlying the above instructions. For this purpose, the Board of the bank shall lay down a clear policy.

346. The Board of Directors shall also lay down an appropriate grievance redressal mechanism within the organisation to resolve disputes arising in this regard. Such a mechanism shall ensure that all disputes arising out of the decisions of the bank's functionaries are heard and disposed of at least at the next higher level. The Board of Directors shall also provide for periodical review of the compliance of the Fair Practices Code and the functioning of the grievance redressal mechanism at various levels of controlling offices. A consolidated report of such reviews shall be submitted to the Board at regular intervals, as shall be prescribed by it.

347. The adoption of the Code, printing of necessary loan application forms and circulation thereof among the branches and controlling offices shall also be duly completed. The Fair Practices Code, which shall be adopted by the bank, shall also be put on its website and given wide publicity. A copy shall also be forwarded to the Reserve Bank.

B. Key Facts Statement (KFS) for Loans & Advances

348. The following instructions shall be applicable in cases of all retail and MSME term loan products extended by the bank. Credit card receivables are exempted from the provisions given below:

- (1) The bank shall provide a KFS to all prospective borrowers to help them take an informed view before executing the loan contract, as per the standardised format given in the Annex XIII. The KFS shall be written in a language understood by such

borrowers. Contents of KFS shall be explained to the borrower and an acknowledgement shall be obtained that they have understood the same.

(2) The KFS shall be provided with a unique proposal number and shall have a validity period of at least three working days for loans having tenor of seven days or more, and a validity period of one working day for loans having tenor of less than seven days.

(6) The KFS shall also be included as a summary box to be exhibited as part of the loan agreement.

C. Reset of Floating Interest Rate on Equated Monthly Instalments (EMI) based Personal Loans

349. A bank shall put in place an appropriate policy framework meeting the following requirements for implementation and compliance:

(1) At the time of sanction, the bank shall clearly communicate to the borrower about the possible impact of change in benchmark interest rate on the loan leading to changes in EMI and / or tenor or both. Subsequently, any increase in the EMI / tenor or both on account of the above shall be communicated to the borrower immediately through appropriate channels.

(2) At the time of reset of interest rates, a bank may, at its option, provide a choice to the borrowers to switch over to a fixed rate as per its Board approved policy. The policy, *inter alia*, may also specify the number of times a borrower will be allowed to switch during the tenor of the loan.

(3) The borrower shall also be given the choice to opt for (i) enhancement in EMI or elongation of tenor or for a combination of both options; and, (ii) to prepay, either in part or in full, at any point during the tenor of the loan. Levy of foreclosure charges / pre-payment penalty shall be subject to extant instructions.

Note: Whenever there is a reset of interest rates for an entire class of borrowers in a particular loan category, say home loan, due to increase in the reference benchmark; the bank shall provide the following options to the borrowers:

- (i) Either enhancement in EMI or elongation of number of EMIs, keeping the EMI unchanged or a combination of both options;
- (ii) Switch to fixed interest rate for the remaining portion of the loan, where such an option is provided by the bank; and
- (iii) To prepay, either in part or in full, at any point during the residual tenor of the loan.

(4) All applicable charges for switching of loans from floating to fixed rate and any other service charges / administrative costs incidental to the exercise of the above options shall be transparently disclosed in the sanction letter and also at the time of revision of such charges / costs by the bank from time to time. The applicable charges shall be as approved by the Board and shall be displayed on the bank's website.

(5) A bank shall ensure that the elongation of tenor in case of floating rate loan does not result in negative amortisation.

(6) A bank shall share / make accessible to the borrower, through appropriate channels, a statement at the end of each quarter which shall at the minimum, enumerate the principal and interest recovered till date, EMI amount, number of EMIs left and annualised rate of interest / Annual Percentage Rate (APR) for the entire tenor of the loan. The bank shall ensure that the statements are simple and easily understood by the borrower.

350. Apart from the equated monthly instalment loans, these instructions would also apply, *mutatis mutandis*, to all equated instalment-based personal loans of different periodicities irrespective of whether they are linked to an external benchmark or an internal benchmark. In case of loans linked to an external benchmark under the External Benchmark Lending Rate (EBLR) regime, the bank shall follow extant instructions and also put in place adequate information systems to monitor transmission of changes in the benchmark rate to the lending rate.

D. Penal Charges in Loan Accounts

351. A bank shall adhere to following instructions for charging penal charges on loans. These instructions shall be applicable to all credit facilities offered by the bank including Cash Credit, Overdraft, securitisation and co-lending portfolios, etc. However, these instructions shall not apply to Credit Cards, External Commercial

Borrowings, Trade Credits (rupee / foreign currency export credit) and Structured Obligations which are covered under product specific directions, as also other foreign currency loans.

(1) Penalty, if charged, for non-compliance of material terms and conditions of loan contract by the borrower shall be treated as 'penal charges' and shall not be levied in the form of 'penal interest' that is added to the rate of interest charged on the advances. There shall be no capitalisation of penal charges, i.e., no further interest computed on such charges. However, this will not affect the normal procedures for compounding of interest in the loan account. Therefore, the bank may charge interest on unpaid interest (including on unpaid EMI) at the contracted rate of interest till the date of remediation, and not at the penal rate of interest.

Notes:

- (i) The material terms and conditions shall be defined, if not already done, as per the credit policy of the bank and they may vary from one category of loan to another, and also, from lender to lender based on their own assessment.
- (ii) Default in repayment by the borrower is also a type of non-compliance of material terms and conditions of loan repayment contract by the borrower and penalty, if charged, for such default shall only be levied in the form of penal charges and not penal interest. Such penal charges shall be reasonable and levied by the lenders only on the amount under default in a non-discriminatory manner as per their Board approved policy. Further, it shall be ensured that there is no capitalization of the penal charges i.e., no further interest computed on such charges.
- (iii) Additional / fresh penal charges cannot be levied on the earlier outstanding amount of penal charges.
- (iv) The bank shall follow the instructions and clarifications, if any, issued by Central Board of Indirect Taxes & Customs (CBIC) with regard to applicability of GST on penal charges.
- (v) In case of the funded facility created on account of invocation of BG / devolvement of LC, the bank may charge an appropriate rate of interest on the devolved amount taking into account the associated credit risk premium as per the bank's credit underwriting policy. However, penalty, if any, on that

- funded facility on account of non-repayment by the borrower within the due date may only be levied in the form of penal charges and not penal interest.
- (vi) In respect of NPA accounts, penal charges shall be reversed to the extent it remains uncollected for the specific purpose of non-recognition of income. However, the same shall be part of the total liability of the borrower to the bank, unless it is waived as per the bank's Board approved policy.
 - (vii) The bank shall disclose fees and charges, including penal charges, recovered from customers in 'Schedule 14: Other Income'.
- (2) A bank shall not introduce any additional component to the rate of interest and ensure compliance to these instructions in both letter and spirit.
- (3) A bank shall formulate a Board approved policy on penal charges or similar charges on loans, by whatever name called.
- (4) The quantum of penal charges shall be reasonable and commensurate with the non-compliance of material terms and conditions of loan contract without being discriminatory within a particular loan / product category.

Notes:

- (i) The penal charges can be different within the same product category depending upon the amount of loan and the bank may adopt a suitable structure of penal charges subject to adherence to the above stipulations. The structure of penal charges within a particular loan / product category shall have to be uniform irrespective of the constitution of the borrower.
 - (ii) Although no upper limit / cap for penal charges has been prescribed, the bank, while formulating its Board approved policy on penal charges, should keep in mind that the intent of levying penal charges is essentially to inculcate a sense of credit discipline and such charges are not meant to be used as a revenue enhancement tool.
- (5) The penal charges in case of loans sanctioned to 'individual borrowers, for purposes other than business', shall not be higher than the penal charges applicable to non-individual borrowers for similar non-compliance of material terms and conditions.

(6) The quantum and reason for penal charges shall be clearly disclosed by the bank to the customers upfront in the loan agreement and KFS, in addition to being displayed on the bank's website under Interest rates and Service Charges. Further, providing a reference to the schedule of penal charges displayed on the website of the bank in the sanction letter and loan agreement shall not suffice.

(7) Whenever reminders for non-compliance of material terms and conditions of loan are sent to borrowers, the applicable penal charges shall be communicated. Further, any instance of levy of penal charges and the reason thereof shall also be communicated.

405. Field staff shall be trained to make necessary enquiries regarding the income and existing debt of the household.

406. Training, if any, offered to the borrowers shall be free of cost.

I.4 Recovery of Microfinance Loans

407. The bank shall put in place a mechanism for identification of the borrowers facing repayment related difficulties, engagement with such borrowers and providing them necessary guidance about the recourse available.

408. Recovery shall be made at a designated / central designated place decided mutually by the borrower and the bank. However, field staff shall be allowed to make recovery at the place of residence or work of the borrower if the borrower fails to appear at the designated / central designated place on two or more successive occasions.

409. The bank or its agent shall not engage in any harsh methods towards recovery. Without limiting the general application of the foregoing, following practices shall be deemed as harsh:

- (1) Use of threatening or abusive language
- (2) Persistently calling the borrower and / or calling the borrower before 9:00 a.m. and after 6:00 p.m.
- (3) Harassing relatives, friends, or co-workers of the borrower
- (4) Publishing the name of borrowers
- (5) Use or threat of use of violence or other similar means to harm the borrower or borrower's family / assets / reputation
- (6) Misleading the borrower about the extent of the debt or the consequences of non-repayment.

410. The bank shall have a dedicated mechanism for redressal of recovery related grievances. The details of this mechanism shall be provided to the borrower at the time of loan disbursal.

I.5 Engagement of Recovery Agents for Recovery of Microfinance Loans

411. Recovery agents shall mean agencies engaged by the bank for recovery of dues from its borrowers and the employees of these agencies.

412. The bank shall have a due diligence process in place for engagement of recovery agents, which shall, *inter alia*, cover individuals involved in the recovery process. The bank shall ensure that the recovery agents engaged by it carry out verification of the

antecedents of its employees, which shall include police verification. The bank shall also decide the periodicity at which re-verification of antecedents shall be resorted to.

413. To ensure due notice and appropriate authorisation, the bank shall provide the details of recovery agents to the borrower while initiating the process of recovery. The agent shall also carry a copy of the notice and the authorisation letter from the bank along with the identity card issued to him / her by the bank or the agency. Further, where the recovery agency is changed by the bank during the recovery process, in addition to the bank notifying the borrower of the change, the new agent shall carry the notice and the authorisation letter along with his / her identity card.

414. The notice and the authorisation letter shall, among other details, also include the contact details of the recovery agency and the bank.

415. The up-to-date details of the recovery agencies engaged by the bank shall also be hosted on its website.

J. Export Credit-Customer Service and Simplification of Procedures for Delivery and Reporting Requirements

J.1 Customer Service

J.1.1 General

416. A bank may provide timely and adequate credit and also render essential customer services / guidance in regard to procedural formalities and export opportunities to its exporter clients.

417. A bank should open Export Counsel Offices to guide exporters particularly the small ones and those taking up non-traditional exports.

J.1.2 Working Group to review Export Credit

418. As part of the on-going efforts to address various issues relating to customer service to exporters, the Reserve Bank of India had constituted a Working Group in May 2005, consisting of select banks and exporters' organizations to review Export Credit. The Group had come out with a comprehensive set of recommendations most of which have been accepted and communicated to banks. The recommendations which have been accepted and communicated to the banks are given below:

- (1) Review of the existing procedure for export credit

- (i) There is a need for attitudinal change in the approach of the bank's officials in dealing with small and medium exporters. The bank may take suitable steps in this regard.
 - (ii) The bank should put in place a control and reporting mechanism to ensure that the applications for export credit especially from Small and Medium Exporters are disposed of within the prescribed time frame.
 - (iii) While processing applications for Export Credit, the bank should raise all queries in one shot in order to avoid delays in sanctioning credit.
 - (iv) Small and Medium Exporters especially in the upcountry centres should be properly trained by SSI / export organisations with technical assistance from banks regarding correct filling up of forms.
 - (v) Collateral security should not be insisted upon as far as possible.
 - (vi) State Level Export Promotion Committees (SLEPCs) which have been reconstituted as sub-committees of the SLBCs should play a greater role in promoting coordination between banks and exporters.
- (2) Review of the Gold Card Scheme
- (i) Since the number of Gold Cards issued by banks was low, banks were advised to speed up the process of issue of the cards to all the eligible exporters especially the SME exporters and ensure that the process is completed within a period of three months.
 - (ii) Simplified procedure for issue of Gold Cards as envisaged under the scheme should be implemented by all banks.
 - (iii) The bank may consider exempting all deserving Gold Card holder exporters from the Packing Credit Guarantee Sectoral Schemes of ECGC on the basis of their track record.
- (3) Review of export credit for non-star exporters: The banks should post nodal officers at Regional / Zonal Offices major branches for attending to credit related problems of SME exporters.

J.1.3 Delay in crediting the proceeds of export bills drawn in foreign currency

419. Delays are observed in passing on the credit of export bills drawn in foreign currency to the exporters after the foreign currency amounts are credited to the 'Nostro' accounts of the banks. Although there are instructions that the prescribed

post-shipment interest rate will cease from the date of credit to the 'Nostro' account, the credit limits enjoyed by the exporters remain frozen till the actual date of credit of rupee equivalent to the account of the customer. There is, therefore, need to promptly restore the limit of the exporters on realisation of bills and pass on the rupee credit to the customer.

J.1.4 Payment of compensation to exporters for delayed credit of export bills

420. In respect of the delay in affording credit in respect of credit advices complete in all respects, the compensation stipulated by FEDAI should be paid to the exporter client, without waiting for a demand from the exporter.

421. A bank should devise a system to monitor timely credit of the export proceeds to the exporter's account and payment of compensation as per FEDAI rules.

422. The internal audit and inspection teams of the banks should specifically comment on these aspects in the reports.

J.2 Sanction of export credit proposals

J.2.1 Time limit for sanction

423. The sanction of fresh / enhanced export credit limits should be made within 45 days from the date of receipt of credit limit application with the required details / information supported by requisite financial / operating statements. In case of renewal of limits and sanction of ad hoc credit facilities, the time taken by the bank should not exceed 30 days and 15 days respectively, other than for Gold Card holders.

J.2.2 Other requirements

424. All rejections of export credit proposals should be brought to the notice of the Chief Executive of the bank explaining the reasons for rejection.

425. The internal audit and inspection teams of the bank should comment specifically on the timely sanction of export credit limits within the time schedule prescribed by RBI.

426. A bank should nominate suitable officers as compliance officers in its foreign departments / specialized branches to ensure prompt and timely disposal of cases pertaining to exporters.

427. It is necessary to submit a review note at quarterly intervals to the Board on the

position of sanction of credit limits to exporters. The note may cover among other things, number of applications (with quantum of credit) sanctioned within the prescribed time frame, number of cases sanctioned with delay and pending sanction explaining reasons therefor.

J.3 Simplification of procedure for delivery of export credit in foreign currency and in Indian Rupee

J.3.1 Simplification of procedures

428. A bank should simplify the application form and reduce data requirements from exporters for assessment of their credit needs, so that exporters do not have to seek outside professional help to fill in the application form or to furnish data required by the bank.

J.3.2 Fast track clearance of export credit

429. At specialized branches and branches having sizeable export business, a facilitation mechanism for assisting exporter-customers should be put in place for quick initial scrutiny of credit application and for discussions for seeking additional information or clarifications.

430. A bank should streamline their internal systems and procedures to comply with the stipulated time limits for disposal of export credit proposals and also endeavour to dispose of export credit proposals ahead of the prescribed time schedule. A flow chart indicating chronological movement of credit application from the date of receipt till the date of sanction should also accompany credit proposals.

431. A bank should delegate higher sanctioning powers to its branches for export credit.

432. A bank should consider reducing at least some of the intervening layers in the sanctioning process. It would be desirable to ensure that the total number of layers involved in decision-making in regard to export finance does not exceed three.

433. A bank should introduce a system of 'Joint Appraisal' by officials at branches and administrative offices, to facilitate quicker processing of export credit proposals.

434. Where feasible, the bank should set up a 'Credit Committee' at specialized branches and at administrative offices, for sanctioning working capital facilities to exporters. The 'Credit Committee' should have sufficiently higher sanctioning powers.

J.3.3 Publicity and training

435. Generally, export credit at internationally competitive rates is made available in foreign currency at select branches of banks. In order to make the scheme more popular and considering the competitive interest rate on foreign currency loans and to mitigate any possible exchange risk, exporters need to be encouraged to make maximum use of export credit in foreign currency. Banks located in areas with concentration of exporters should, therefore, give wide publicity to this important facility and make it easily accessible to all exporters including small exporters and ensure that more number of branches are designated for making available export credit in foreign currency.

436. Officers at operating level should be provided with adequate training. In the matter of transfer of officials from critical branches dealing in export credit, the bank should ensure that the new incumbents posted possess adequate knowledge / exposure in the areas of forex as well as export credit to avoid delays in processing / sanctioning of export credit limits and thereby subjecting exporters to the risk of cancellation of export orders.

J.3.4 Customer Education

437. The bank should bring out a Handbook containing salient features of the simplified procedures for sanction of export credit in Foreign Currency at internationally competitive rates as well as in Rupees for the benefit of their exporter-clients.

438. To facilitate interaction between the bank and exporters, the bank should periodically organise Exporters' Meet at centres with concentration of exporters.

J.4 Monitoring implementation of Instructions

439. The bank should ensure that exporters' credit requirements are met in full and promptly. The above referred instructions must be implemented, both in letter and spirit, so as to bring about a perceptible improvement in credit delivery and related banking services to export sector. The bank should also address the deficiencies, if any, in the mechanism of deployment of staff to eliminate the bottlenecks in the flow of credit to the export sector.

440. The bank should set up an internal team to visit branches periodically, say, once in two months to gauge the extent of implementation of these instructions.

K. Recovery Agents engaged by Banks

441. A bank shall take into account the following specific considerations while engaging recovery agents:

(1) 'Agent' in these instructions shall include agencies engaged by the bank and the agents / employees of the concerned agencies.

(2) The bank shall have a due diligence process in place for engagement of recovery agents, which shall be so structured to cover, among others, individuals involved in the recovery process. The due diligence process shall generally conform to the instructions issued by RBI on outsourcing of financial services vide [Reserve Bank of India \(Commercial Banks – Managing Risks in Outsourcing\) Directions, 2025](#). Further, the bank shall ensure that the agents engaged by them in the recovery process carry out verification of the antecedents of its employees, which may include pre-employment police verification, as a matter of abundant caution. The bank shall decide the periodicity at which re-verification of antecedents shall be resorted to.

(3) To ensure due notice and appropriate authorisation, the bank shall inform the borrower the details of recovery agency firms / companies while forwarding default cases to the recovery agency. Further, since in some of the cases, the borrower might not have received the details about the recovery agency due to refusal / non-availability / avoidance and to ensure identification, it would be appropriate if the agent also carries a copy of the notice and the authorisation letter from the bank along with the identity card issued to him by the bank or the agency firm / company. Further, where the recovery agency is changed by the bank during the recovery process, in addition to the bank notifying the borrower of the change, the new agent shall carry the notice and the authorisation letter along with his / her identity card.

(4) The notice and the authorisation letter shall, among other details, also include the telephone numbers of the relevant recovery agency. The bank shall ensure that there is a tape recording of the content / text of the calls made by recovery agents to the customers, and vice-versa. The bank shall take reasonable precaution such as intimating the customer that the conversation is being recorded, etc.

(5) The updated details of the recovery agency firms / companies engaged by the bank shall also be posted on the bank's website.

(6) Where a grievance / complaint has been lodged, the bank shall not forward cases to recovery agencies till they have finally disposed of any grievance / complaint lodged by the concerned borrower. However, where the bank is convinced, with appropriate proof, that the borrower is continuously making frivolous / vexatious complaints, it may continue with the recovery proceedings through the Recovery Agents even if a grievance / complaint is pending with them. In cases where the subject matter of the borrower's dues might be *sub judice*, the bank shall exercise utmost caution, as appropriate, in referring the matter to the recovery agencies, depending on the circumstances.

(7) The bank shall have a mechanism whereby the borrowers' grievances with regard to the recovery process can be addressed. The details of the mechanism shall also be furnished to the borrower while advising the details of the recovery agency as at item (3) above.

K.1 Incentives to Recovery Agents

442. The bank shall ensure that the contracts with the recovery agents do not induce adoption of uncivilised, unlawful and questionable behaviour or recovery process.

K.2 Methods followed by Recovery Agents

443. The bank shall strictly adhere to the instructions mentioned below during the loan recovery process:

- (1) Fair Practices Code for Lenders provided in Section A of this Chapter,
- (2) [Reserve Bank of India \(Commercial Banks – Managing Risks in Outsourcing\) Directions, 2025](#) and
- (3) [Reserve Bank of India \(Commercial Banks – Credit Cards and Debit Cards: Issuance and Conduct\) Directions, 2025](#).

444. The bank shall strictly ensure that they or their agents do not resort to intimidation or harassment of any kind, either verbal or physical, against any person in their debt collection efforts, including acts intended to humiliate publicly or intrude upon the privacy of the debtors' family members, referees and friends, sending inappropriate messages either on mobile or through social media, making threatening and / or anonymous calls, persistently calling the borrower and / or calling the borrower before 8:00 a.m. and after 7:00 p.m. for recovery of overdue loans, making false and

misleading representations, etc. This direction shall not be applicable to microfinance loans.

445. Code of conduct for Direct Sales Agents (DSAs) formulated by the Indian Bank's Association (IBA) could be used by the bank in formulating its own codes for DSAs / DMAs / Recovery Agents. If the bank does not have its own code, it shall, at the minimum, adopt the IBA's code for collection of dues and repossession of security. It is essential that the Recovery Agents refrain from action that could damage the integrity and reputation of the bank and that they observe strict customer confidentiality.

K.3 Training for Recovery Agents

446. The bank shall ensure that the Recovery Agents are properly trained to handle with care and sensitivity, their responsibilities particularly aspects like hours of calling, privacy of customer information, etc.

447. The bank shall ensure that all its Recovery Agents have completed the certificate course for Direct Recovery Agents instituted by Indian Institute of Banking and Finance (IIBF). Further, the service providers engaged by banks shall also employ only such personnel who have undergone the training and obtained the certificate from the IIBF. Other institutes / bank's own training colleges may also provide the training to the recovery agents by having a tie-up arrangement with IIBF so that there is uniformity in the standards of training. However, every agent will have to pass the examination conducted by IIBF all over India.

K.4 Taking possession of property mortgaged / hypothecated to banks

448. The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) and the Security Interest (Enforcement) Rules, 2002 framed thereunder have laid down well defined procedures not only for enforcing security interest but also for auctioning the movable and immovable property after enforcing the security interest. It is desirable that the bank relies on legal remedies available under the relevant statutes while enforcing security interest without intervention of the Courts.

449. Where the bank has incorporated a re-possession clause in the contract with the borrower and rely on such re-possession clause for enforcing their rights, it shall ensure that the re-possession clause is legally valid, complies with the provisions of

the Indian Contract Act in letter and spirit, and ensure that such repossession clause is clearly brought to the notice of the borrower at the time of execution of the contract. The terms and conditions of the contract shall be strictly in terms of the Recovery Policy and shall contain provisions regarding:

- (1) notice period before taking possession,
- (2) circumstances under which the notice period can be waived,
- (3) the procedure for taking possession of the security,
- (4) a provision regarding final chance to be given to the borrower for repayment of loan before the sale / auction of the property,
- (5) the procedure for giving repossession to the borrower, and
- (6) the procedure for sale / auction of the property.

K.5 Utilisation of credit counsellors

450. The bank is encouraged to have in place an appropriate mechanism to utilise the services of the credit counsellors for providing suitable counselling to the borrowers where it becomes aware that the case of a particular borrower deserves sympathetic consideration.

K.6 Complaints against the bank / its recovery agents

451. The bank, as principal, is responsible for the actions of its agents. Hence, it shall ensure that its agents engaged for recovery of its dues strictly adhere to the above instructions, while engaged in the process of recovery of dues.

452. Complaints received by the Reserve Bank regarding violation of the above instructions and adoption of abusive practices followed by bank's recovery agents shall be viewed seriously. Reserve Bank may consider imposing a ban on a bank from engaging recovery agents in a particular area, either jurisdictional or functional, for a limited period. In case of persistent breach of the above instructions, Reserve Bank may consider extending the period of ban or the area of ban. Similar supervisory action could be attracted when the High Courts or the Supreme Court pass strictures or impose penalties against any bank or its Directors / Officers / agents with regard to policy, practice and procedure related to the recovery process. The bank shall ensure that its employees also adhere to the above instructions during the loan recovery

process.

K.7 Periodical Review

453. The bank engaging recovery agents shall undertake a periodical review of the mechanism to learn from experience, to effect improvements, and to bring to the notice of the Reserve Bank suggestions for improvement in these instructions.

Chapter IX – Miscellaneous

A. Accepting standing instructions of customers

454. Standing instructions shall be freely accepted on all current and savings bank accounts. The scope of standing instructions service shall be expanded to include payments on account of taxes, rents, bills, school / college fees, licences, etc.

B. Clean Overdrafts for small amounts

455. Clean overdrafts for small amounts may be permitted at the discretion of branch manager to customers whose dealings have been satisfactory. The bank may work out schemes in this regard.

C. Rounding off of transactions

456. All transactions, including payment of interest on deposits / charging of interest on advances, should be rounded off to the nearest rupee i.e., fractions of 50 paise and above shall be rounded off to the next higher rupee and fraction of less than 50 paise shall be ignored.

457. Issue prices of cash certificates should also be rounded off in the same manner. However, a bank shall ensure that cheques / drafts issued by clients containing fractions of a rupee are not rejected or dishonoured by them. The bank shall ensure that appropriate action is taken against members of their staff who are found to have refused to accept cheques / drafts containing fractions of a rupee.

D. Declaration of Holiday under the Negotiable Instruments Act, 1881

458. In terms of Section 25 of the Negotiable Instruments Act, 1881, the expression "public holiday" includes Sunday and any other day declared by the Central Government by notification in the Official Gazette to be a public holiday. However, this power has been delegated by the Central Government to State Governments vide the Government of India, Ministry of Home Affairs' Notification No. 20-25-56-Pub-I dated June 8, 1957. While delegating the power to declare public holidays within concerned States under Section 25 of the Negotiable Instruments Act, 1881, the Central Government has stipulated that the delegation is subject to the condition that the Central Government may itself exercise the said function, should it deem fit to do so. This implies that when Central Government itself has notified a day as "public holiday"

under Section 25 of the Negotiable Instruments Act, 1881, there is no need for bank to wait for the State Government notification.

E. Co-ordination with officers of Central Board of Direct Taxes

459. The bank shall extend necessary help / co-ordination to tax officials whenever required. Further, the bank shall treat with utmost seriousness cases where its staff connives / assists in any manner with offences punishable under the Income Tax Act. In such cases in addition to the normal criminal action, such staff member shall also be proceeded against departmentally.

F. Hedging of Commodity Price Risk - Creating awareness among borrowers

460. With a view to developing strong risk management capabilities to manage agri-commodity price risk, it is felt that banks shall encourage hedging by the agri-borrowers by creating awareness amongst them regarding the utility and benefits of hedging through agri-commodity derivatives. At the same time, the bank must keep the sophistication, understanding, scale of operation and requirements of their agri-borrower in mind while advising on the availability and use of these instruments.

461. To begin with, the bank may encourage large agricultural borrowers such as agricultural commodity processors, traders, millers, aggregators, etc., to hedge their commodity price risk. The hedging can be through agri-commodity derivative products available on recognised exchanges in India. The bank may educate its customers about the suitability and appropriateness of using these products for hedging specific exposures so that these customers can take an informed decision, lessening the scope for mis-selling of these derivatives.

Chapter X – Repeal and Other Provisions

A. Repeal and saving

462. With the issue of these Directions, the existing Directions, instructions, and guidelines relating to Responsible Business Conduct as applicable to Commercial Banks stand repealed, as communicated vide [circular DOR.RRC.REC.302/33-01-010/2025-26 dated November 28, 2025](#). The Directions, instructions and guidelines repealed prior to the issuance of these Directions shall continue to remain repealed.

463. Notwithstanding such repeal, any action taken or purported to have been taken, or initiated under the repealed Directions, instructions, or guidelines shall continue to be governed by the provisions thereof. All approvals or acknowledgments granted under these repealed lists shall be deemed as governed by these Directions. Further, the repeal of these directions, instructions, or guidelines shall not in any way prejudicially affect:

- (2) any, penalty, forfeiture, or punishment incurred in respect of any contravention committed thereunder;
- (3) any investigation, legal proceeding, or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture, or punishment as aforesaid; and any such investigation, legal proceedings or remedy may be instituted, continued, or enforced and any such penalty, forfeiture or punishment may be imposed as if those directions, instructions, or guidelines had not been repealed.

B. Application of other laws not barred

464. The provisions of these Directions shall be in addition to, and not in derogation of the provisions of any other laws, rules, regulations, or directions, for the time being in force.

C. Interpretations

465. For the purpose of giving effect to the provisions of these Directions or in order to remove any difficulties in the application or interpretation of the provisions of these Directions, the RBI may, if it considers necessary, issue necessary clarifications in

Annex IV- Settlement of Claims

A. Settlement of claims in respect of deceased depositors – Simplification of procedure

A.1 Provisions of the Banking Regulation Act, 1949

1. A bank shall adhere to the provisions of Sections 45ZA to 45ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985.

A.2 Simplified operational systems / procedures

2. A bank shall undertake a comprehensive review of its extant systems and procedures relating to settlement of claims of its deceased constituents with a view to evolving a simplified policy / procedures for the purpose, with the approval of its Board, taking into account the applicable statutory provisions, foregoing instructions as also the MOP formulated by the IBA.

A.3 Accounts with survivor / nominee clause

3. The payment of the balance in the deposit account to the survivor(s) / nominee of a deceased deposit account holder represents a valid discharge of the bank's liability in the case of deposit accounts where the depositor had utilised the nomination facility and made a valid nomination or where the account was opened with the survivorship clause ("either or survivor", or "anyone or survivor", or "former or survivor" or "latter or survivor"):

(1) Provided the bank has exercised due care and caution in establishing the identity of the survivor(s) / nominee and the fact of death of the account holder, through appropriate documentary evidence;

(2) Provided there is no order from the competent court restraining the bank from making the payment from the account of the deceased; and

(3) Provided it has been made clear to the survivor(s) / nominee that he / she would be receiving the payment from the bank as a trustee of the legal heirs of the deceased depositor, i.e., such payment to him / her shall not affect the right or claim which any person may have against the survivor(s) / nominee to whom the payment is made.

4. Since payment made to the survivor(s) / nominee, subject to the foregoing conditions, would constitute a full discharge of the bank's liability, the bank shall desist from insisting on production of succession certificate, letter of administration or probate, etc., or obtain any bond of indemnity or surety from the survivor(s)/nominee, while making payment to the survivor(s) / nominee of the deceased depositor, irrespective of the amount standing to the credit of the deceased account holder.

A.4 Accounts without the survivor / nominee clause

5. A bank shall adopt a simplified procedure for repayment to legal heir(s) of the depositor in cases where the deceased depositor had not made any nomination or for the accounts other than those styled as "either or survivor" (such as single or jointly operated accounts). The bank shall keeping in view its risk management systems, fix a minimum threshold limit, for the balance in the account of the deceased depositors, up to which claims in respect of the deceased depositors could be settled without insisting on production of any documentation other than a letter of indemnity.

A.5 Premature Termination of term deposit accounts

6. A bank is advised to invariably incorporate a suitable clause in the account opening form informing joint depositors with the mandate of "Either or Survivor" or "Former or Survivor" about the availability of an option to provide specific joint mandate which facilitates premature withdrawal of the deposit by the surviving joint depositor on the death of the other. The bank shall also inform its existing as well as future term deposit holders about the availability of such an option.

7. The joint deposit holders shall be permitted to give the mandate either at the time of placing term deposit or anytime subsequently during the term / tenure of the deposit. If such a mandate is obtained, the bank shall allow premature withdrawal of term deposits by the surviving depositor without seeking the concurrence of the legal heirs of the deceased joint deposit holder. Such premature withdrawal shall not attract any penal charge.

A.6 Treatment of flows in the name of the deceased depositor

8. In order to avoid hardship to the survivor(s) / nominee of a deposit account, the bank shall obtain appropriate agreement / authorisation from the survivor(s) / nominee regarding the treatment of pipeline flows in the name of the deceased account holder. In this regard, the bank could consider adopting either of the following two approaches:

A bank could be authorised by the survivor(s) / nominee of a deceased account holder to open an account styled as 'Estate of Shri _____, the Deceased' where all the pipeline flows in the name of the deceased account holder could be allowed to be credited, provided no withdrawals are made.

OR

The bank could be authorised by the survivor(s) / nominee to return the pipeline flows to the remitter with the remark "Account holder deceased" and to intimate the survivor(s) / nominee accordingly. The survivor(s) / nominee / legal heir(s) could then approach the remitter to effect payment through a negotiable instrument or through ECS transfer in the name of the appropriate beneficiary.

A.7 Time limit for settlement of claims

9. A bank shall settle the claims in respect of deceased depositors and release payments to survivor(s) / nominee(s) within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claim(s), to the bank's satisfaction.

10. A bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received pertaining to deceased depositors / locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, giving reasons therefor.

B. Settlement of Claims in case of death of a Customer in respect of Safe Deposit Locker / Safe Custody Article Facility

11. A bank shall have a Board approved policy for settlement of claims. The policy shall be in conformity with the regulatory instructions and the Model Operational Procedure (MOP) for settlement of claims of the deceased constituents formulated by the IBA.

12. A bank shall have a Board approved policy for nomination and release of contents of safety lockers / safe custody article to the nominee and protection against notice of claims of other persons in accordance with the provisions of Sections 45 ZC to 45 ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985 and the relevant provisions of Indian Contract Act and Indian Succession Act.

13. In order to ensure that the articles left in safe custody and contents of lockers are returned to the genuine nominee, as also to verify the proof of death, the bank shall devise its own claim formats, in terms of applicable laws and regulatory instructions.

14. A bank shall settle the claims in respect of deceased locker hirers and shall release contents of the locker to survivor(s) / nominee(s), as the case may be, within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claimant(s) with reference to nomination, to the bank's satisfaction.

15. A bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received pertaining to deceased locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, with reasons therefor. Customer Service Committee of the Board of the bank shall review the settlement of claims and make suggestions to ensure that the claims are settled as early as possible unless there is any litigation pending before the Courts or any difficulty is being faced in identifying the true claimant with reference to nomination.

Access to the articles in the safe deposit lockers / return of safe custody articles

16. If the sole locker hirer nominates an individual to receive the contents in the locker, in case of his death, after verification of the death certificate and satisfying the identity and genuineness of such individual approached, the bank shall give access of the locker to such nominee with liberty to remove the contents of the locker, after an inventory was taken in the prescribed manner. In case the locker was hired jointly with the instructions to operate it under joint signatures, and the locker hirer(s) nominates any other individual(s), in the event of death of any of the locker hirers, the bank shall give access of the locker and the liberty to remove the contents jointly to the survivor(s) and the nominee(s) after an inventory was taken in the prescribed manner. In case the locker was hired jointly with survivorship clause and the hirers instructed that the access of the locker should be given to "either or survivor", "anyone or survivor" or "former or survivor" or according to any other survivorship clause permissible under the provisions of the Banking Regulation Act, 1949, the bank shall follow the mandate in the event of death of one or more of the joint locker-hirers.

17. The bank shall, however, ensure the following before giving access to the contents to nominee / survivor:

- (1) Exercise due care and caution in establishing the identity of the survivor(s) / nominee(s) and the fact of death of the locker hirer by obtaining appropriate documentary evidence;
- (2) Make diligent effort to find out whether there is any order or direction from Courts / Forums restraining it from giving access to the locker of the deceased; and
- (3) Make it clear to the survivor(s) / nominee(s) that access to articles in the locker / safe custody articles is given to them only as a trustee of the legal heirs of the deceased locker hirer, i.e., such access given to them shall not affect the right or claim which any person may have against the survivor(s) / nominee(s) to whom the access is given.

Similar procedure shall be followed for return of articles placed in the safe custody of the bank.

18. A bank shall ensure that, the contents of locker, when sought to be removed on behalf of a minor nominee, are handed over to a person who is, in law, competent to receive the articles on behalf of such minor. Further, the bank shall prepare an inventory of the articles in the presence of two independent witnesses, one officer of the bank who is not associated with the locker facility or safe deposit of articles and the claimant(s), who may be a nominee or an individual receiving the articles, on behalf of a minor.

19. A bank shall obtain a separate statement from the nominee (claimant) or the person competent to receive articles on behalf of the minor, as the case may be, that all the contents in the locker or in the safe custody of the bank, as the case may be, are received and the locker is empty, and they have no objection to allotment of the locker to any other customer as per norms.

20. While giving access to the survivor(s) / nominee(s) of the deceased locker hirer / depositor of the safe custody articles, the bank may avoid insisting on the production of succession certificate, letter of administration or probate, etc., or obtain any bond of indemnity or surety from the survivor(s) / nominee(s), unless there is any discrepancy in nomination. In this regard, the bank shall take note of the instructions under paragraph 17 above.

21. In case where the deceased locker hirer had not made any nomination or where the joint hirers had not given any mandate that the access may be given to one or more of the survivors by a clear survivorship clause, the bank shall adopt a Board approved policy to facilitate access to legal heir(s) / legal representative of the deceased locker hirer. In this regard, the bank shall take note of the instructions under paragraph 17 above.

22. Similar procedure shall be followed for the articles under safe custody of the bank.

C. Settlement of claims in respect of missing persons

23. A bank shall follow the following system in case a claim is received from a nominee / legal heirs for settlement of claim in respect of missing persons:

(1) The settlement of claims in respect of missing persons shall be governed by the provisions of Section 110 / 111 of the Bharatiya Sakshya Adhiniyam, 2023. Section 110 deals with presumption of continuance and Section 111 deals with presumption of death. As per the provisions of Section 111 of the Bharatiya Sakshya Adhiniyam, 2023, presumption of death can be raised only after a lapse of seven years from the date of his / her being reported missing. As such, the nominee / legal heirs have to raise an express presumption of death of the subscriber under Section 110/111 of the Bharatiya Sakshya Adhiniyam, 2023 before a competent court. If the court presumes that the missing person is dead, then the respective claim can be settled on the basis of the same.

24. A bank shall formulate a policy which would enable them to settle the claims of a missing person after considering the legal opinion and taking into account the facts and circumstances of each case. Further, keeping in view the imperative need to avoid inconvenience and undue hardship to the common person, the bank shall, keeping in view its risk management systems, fix a threshold limit, up to which claims in respect of missing persons could be settled without insisting on production of any documentation other than (i) FIR and the non-traceable report issued by police authorities and (ii) letter of indemnity.

D. Claim Forms to be made available

25. A bank shall provide claim forms for settlement of claims of the deceased accounts, to any person/s who is / are approaching the bank / branches for forms. Claim forms may also be put on the bank's website prominently so that claimants of

the deceased depositor can access and download the forms without having to visit the concerned bank / branch for obtaining such forms for filing claim with the bank.

26. The bank shall devise its own claim format to establish the identity of nominee, as also to verify the proof of death or follow the procedure, if any, suggested by the Indian Banks' Association for the purpose. The Indian Banks' Association has devised a format for establishing the identity of the nominee and also advised member banks to follow the prevalent procedure in respect of proof of death of the depositor vide its circular SO/22-53-I/4717 dated 27th June, 1985. The bank shall issue suitable instructions to the branches for introducing necessary claim format. A copy of the instructions issued to the branches in this regard shall be forwarded to the RBI for information.
